RE: Griffin Wheel Company's Motion for Summary Judgment

Dear Mr. Ottaway:

We are in receipt of the Motion for Summary Judgment you recently filed on behalf of Griffin Wheel Company in our cases. After reviewing our file, I note that there are outstanding Interrogatories and Requests for Production served on Griffin Wheel Company in 2003 (copies enclosed). If your client has already responded to these discovery requests, I would appreciate if you would forward a copy of those responses to my office at your earliest convenience, as we have no record of having received Griffin Wheel's responses. Otherwise, I would appreciate if you would respond to this discovery as soon as possible so that we may adequately prepare our response to Griffin Wheel's Motion for Summary Judgment.

Sincerely,

GLASSER & GLASSER, P.L.C.
